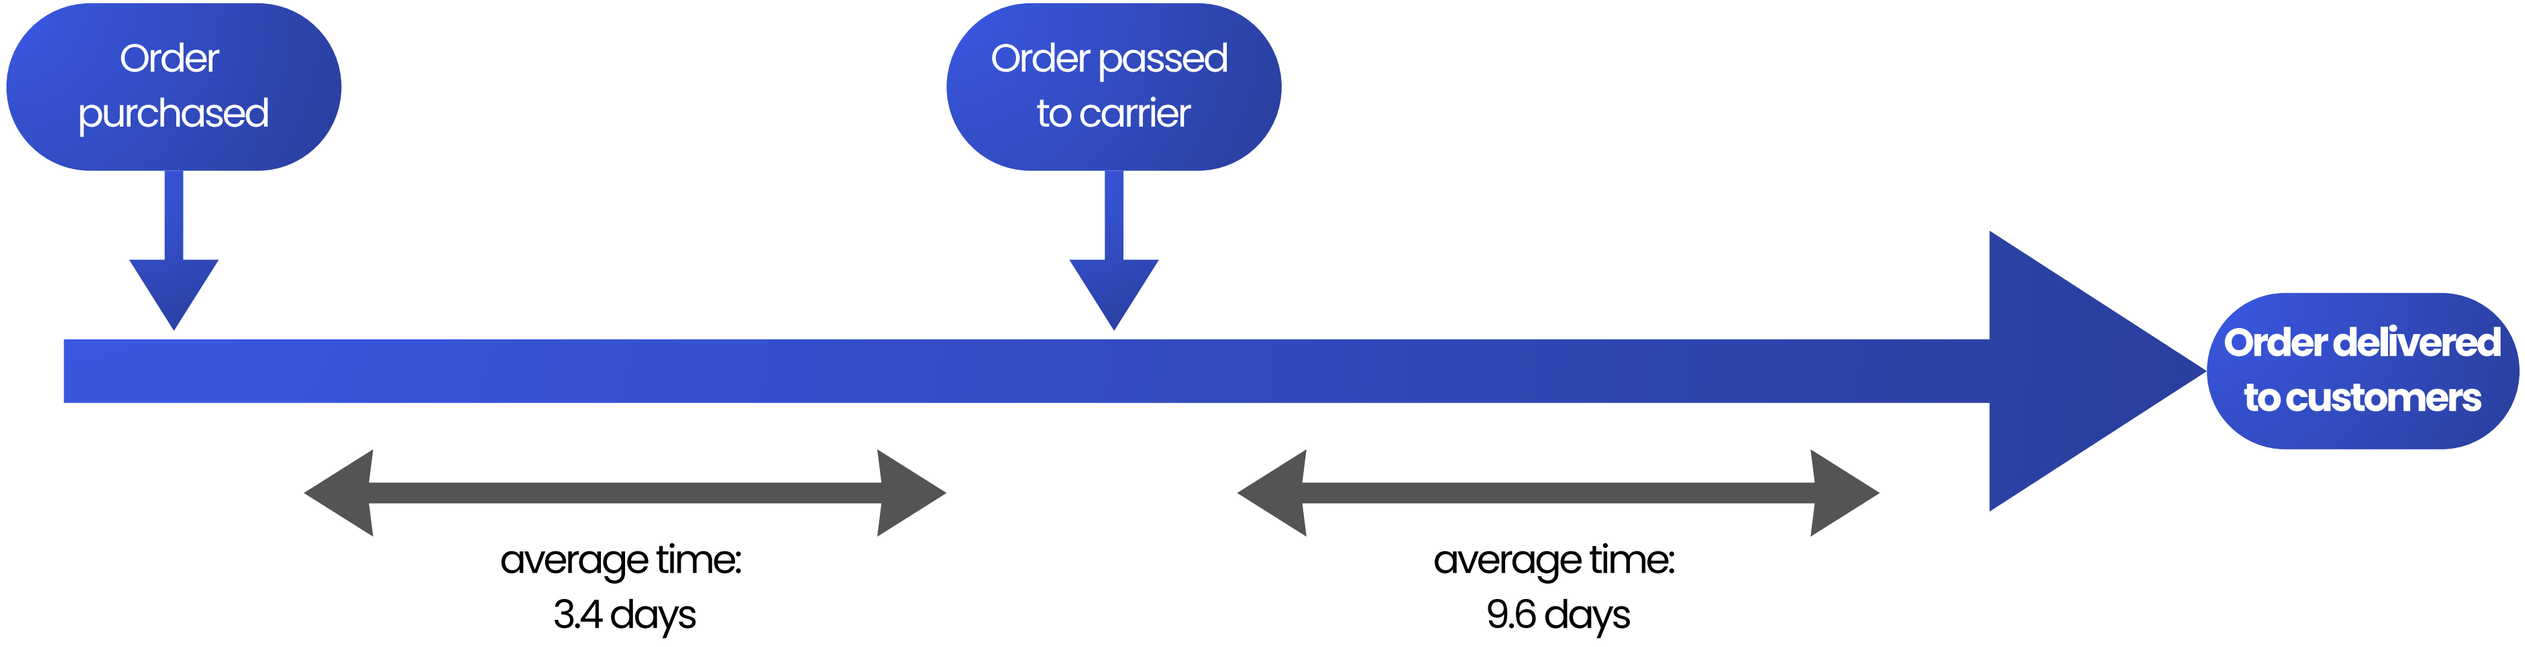
Warehouse processing vs Carrier transit



Delivery Service Quality issues

"I placed the following order: Samsung premium Wireless Qi Charging Stand. This is what arrived: Baseus Slim Qi Wireless Charger"

"I've always heard great things about them and trusted their services.
Given their failure to meet the delivery deadline for my last order, I'm very upset."

"After almost 2 months, I'm going to cancel this purchase, which wasn't delivered"

1 to 3 star reviews report issues with problems with wrong shipments, late and lost deliveries
